Dear Mr. Nissly:

My lifelong dream of attending flight school is moving forward, thanks to generous educational scholarships like yours. Since being named one of the recipients of the ADMA 2018 scholarship recipients., my dream is becoming a reality at Southwestern Illinois College. The award gives me an opportunity to earn skills that will serve the flight community. Thank you personally for your generosity: Without scholarship opportunities willing to support our aviation community, students such as myself would be unable to pursue advanced aeronautical ratings.

Your scholarship will make a profound impact on my career in aviation. My passion for flying is matched only by my love for volunteering, so my decision to specialize in flight training comes from the heart.

Once again, thank you for the vote of confidence and the ADMA 2018 scholarship. I am committed to my education and to serving the aviation community, and one step closer to becoming a commercial pilot, thanks to your continued generosity and the *Aviation Distributors & Manufacturers Association (ADMA) Scholarship*.

Sincerely,

Laura Holland O'Brien
