Dear ADMA Scholarship Committee,

I would like to extend my upmost gratitude to you for awarding me this scholarship to help further my education. You have opened up a huge opportunity for me to be a successful servant in the workplace. Because of you, I am able to continue my aviation training at LeTourneau University. I am encouraged to see that there is an organization taking an active roll in the education of future generations. Many young adults would love to have the same opportunity that I have been blessed with. The ADMA Scholarship committee is helping make that possible, and for that I thank you.

I will be working towards completing my commercial certificate as well as A&P certificate in the upcoming school year. The funds I receive from this scholarship will be going toward tuition to help acquire these certificates, as well as complete my four year aviation degree here at Letu. I am very excited to finish my Bachelors degree in Aeronautical science, and begin my career in the aviation industry.

Again, thank you so much for your support and generosity. This is a huge blessing and is very encouraging to me. Thank you for investing in me and the other students receiving this scholarship as well.

Sincerely,

A handwritten signature in blue ink that reads "Jonathan Reeves". The signature is written in a cursive, flowing style.

Jonathan Reeves
Senior, LeTourneau University
