

Dear 2014 ADMA Scholarship Committee,

Thank you so much for awarding me the 2014 ADMA scholarship! When I first embarked on this long journey to reach my goal of becoming an airline pilot, I knew it would be a long road with many hurdles and hoops to pass. One of those obstacles being finances, this scholarship is greatly appreciated. The scholarship award will go straight into my flight account and will be used to help build my experience and get me closer to my dream of being an airline pilot. Embry-Riddle has provided me with exceptional training thus far and I hope to continue that training to become the safest and best pilot that I can be.

Thank you again for the scholarship and know that it will be put to great use. I wish you all nothing but the best and I wish you all a great rest of your summer.

Most sincerely,

Scott M. Singleton
