Dear ADMA Scholarship Committee,

I would like to thank all the committee members for selecting me to receive the 2013 ADMA scholarship. I feel truly honored to be given such an award. Your unconditional support and investment in my future brings me one step closer to fulfilling my aviation dreams.

The scholarship funds will give me the opportunity to further my aviation training by completing my A&P certificate, aerospace engineering coursework, and additional flight ratings. For as long as I can remember, I've always been fascinated by flight and what it has to offer. I look forward to my future in the aviation industry where I'm able to provide the skills I have acquired as an avid pilot, engineer, and technician. I also hope to be a positive role model for future generations interested in aviation and to encourage them to pursue technical careers. Thank you again for not only your financial generosity, but for also believing in me. It encourages me to continue on and demonstrates no dream is too big.

With gratitude,

A handwritten signature in black ink, appearing to read "Maria Liberto". The signature is fluid and cursive, with the first name "Maria" being more prominent than the last name "Liberto".
